KIA ORA FROM OUR CHIEF EXECUTIVE

A big nau mai, haere mai for all students, teachers, tamariki and parents to our 2021 APO Connecting programme.

As the professional orchestra of Tāmaki Makau Rau, we are thrilled to perform and connect with the communities of this wonderfully diverse city in 2021.

It is so important for us to nurture the talent of Auckland's young aspiring musicians, and as a UNESCO City of Music – our future depends on it!

There is something for everyone in this little booklet of fun and opportunities. I cannot wait for you to join us, whether that be among our audience or our musicians.

Thank you to all of our partners, sponsors and donors. We believe that music opens minds (and hearts), and your tautoko helps us do just that. Now, karawhiua, e te whānau, let's get stuck in!

HAYDN STAPLES APO PIANO SCHOLARSHIP PROGRAMME

Staples Education
Foundation

Today's talent,
tomorrow's stars.

The Haydn Staples APO Piano Scholarship Programme is the most comprehensive training programme for emerging pianists in New Zealand. The Scholarship Programme is chaired and funded by Haydn Staples and administered by the APO. This innovative programme, run in partnership with the University of Auckland School of Music, assists talented young pianists to develop a diverse portfolio of skills to complement their advanced solo studies. It equips them with invaluable experiences and training opportunities to improve their musicianship and employability.

At the end of their first year of study, up to three piano students are selected to enter the programme, which runs in conjunction with the remainder of their undergraduate studies (and with an opportunity to be selected for a further Honours year).

These selected scholars are able to explore every aspect of piano performance, including an opportunity for the top Honours student to perform as a soloist with the APO.

A key component of the programme is 'giving back'. Along with pro bono public

performances throughout the tenure of the Scholarship, the scholars are expected to continue mentoring and supporting junior piano students, once their scholarship has finished.

As part of the programme, the chosen scholars will have the benefit of the following:

- Additional piano lessons with highly respected piano teacher Bryan Sayer
- Masterclasses and private lessons with APO's visiting artists
- Tickets to APO performances
- Chamber music tuition with APO musicians
- Collaborative piano mentoring
- Seminars on public speaking and employability
- Extensive performance opportunities at APO events, with the top scholar of the honours cohort performing as a soloist with the orchestra.
- A scholarship of \$2,000 per year towards the cost of their music studies
