Date:

🎵 Fun Facts! 🎵

- 🎵 The Trumpet is a member of the Brass Family
- 🎵 When they were first created, they didn't have any valves and were just one long tube.
- 🎵 The trumpet is one of the **LOUDEST** instruments in the orchestra! You can make it sound softer by putting an special object called a 'mute' in the bell.

The trumpet is a very popular instrument. These are just a few genres of music that feature the trumpet...
